Ignite the Power and Potential of Each Student

October 14, 2019

Dear Waterbury School Community,

Our Halloween festivities will take place on Thursday, October 31. Children may come to school dressed in their costumes, but please help your child to select a costume that is comfortable, provides an excellent view when walking, is easy to take off if they become uncomfortable and is age-appropriate. Also, please keep make-up to a minimum. **All dangerous props or weapons such as swords, guns, and knives are to be left at home, and masks can only be worn during the parade.**

This year, Waterbury School students will be participating in an all-school parade around the building at 1:30 PM, weather permitting. The parade will exit out the front doors, make a loop around the building and reenter the building through the front doors. All parents are welcome to view the parade and are encouraged to bring their cameras!

Classroom parties will also be part of the day and will be held after the parade. For safety and security reasons, only volunteer helpers, previously selected by classroom teachers, will be allowed in each classroom. Volunteer helpers should check in to the office at 1:00 PM to set up their classroom for the party which will also allow them time to view the parade.

If your child does not participate in Halloween due to religious reasons, please let your child's teacher know. Alternate activities will be provided for these students during the parade and parties.

I hope everyone has a "Boo"-tiful time!
