Ignite the Power and Potential of Each Student

September 2, 2019

Dear Waterbury School Community,

This year the staff has planned Curriculum Night for Thursday, September 12. This evening is planned to provide parents with information about what will be going on in their children's classrooms this year. The teachers will give an overview of the curriculum, discuss general and specific requirements that are expected at each level, tell how they intend to meet individual differences, and explain to parents how they plan to communicate with them during the year. Parents will have an opportunity to ask questions after the teacher's presentation. Due to time constraints, teachers will be unable to address issues regarding individual students, but will be happy to schedule a meeting to discuss your child at this time. The schedule for the evening is:

6:30 - 7:00 PM - Presentations for Grades K & 1

7:00 - 7:30 PM - Presentations for Grades 2 & 3

7:30 - 8:00 PM - Presentations for Grades 4 & 5

Ms. Stalzer and I will be available all evening in front of the library to address any questions or concerns you might have. As an additional part of this evening, parents will have the opportunity to sign-up for a scheduled conference during our Parent-Teacher Conference days on Monday, November 25 and Tuesday, November 26. All teacher conference sign-up sheets will be organized on tables in the gym and will be available prior to the start of Curriculum Night beginning at 6:15 PM. We are hoping that all parents can attend this important event.

Dr. Debbie Guzan

Principal

Need to Change Your Child's Transportation Plans?

A note from home is necessary if your child's transportation plans change early that morning. To make sure all children are aware of sudden changes in transportation, please call the school office prior to 3:00 PM, 2:00 PM on Wednesdays, unless it is an emergency situation. This will allow the office to get a message to your child's teacher prior to dismissal. Thank you for your cooperation.

Our PTO provides many wonderful opportunities, programs, events and items for the children of Waterbury School. The \$5 per person membership fee helps to support the many works of the PTO. Please consider joining today by sending your membership to school in an envelope marked PTO Membership and including your family name and your child's name and grade.
